## Chinese New Year 2023

This is the year of the rabbit. Those born under this sign are romantic, sensitive, kind, artistic, judgmental, timid and refined. In 2023, the celebration starts on January 22nd and ends on February 5th. Celebrating includes fireworks to ward off evil spirits, exchanging red envelopes with money and mandarin oranges. Purchasing new clothes or new shoes symbolizes a new start. Join us on Thursday, Jan. 26 at 1:30pm to find out about the traditions and celebrations of Chinese New Year.

*Entertainer spotlight*  
*Marty Davis*

**Marty Davis started out singing Classic Country Music. He still does sometimes. But much more than that, Marty takes his audiences on a nostalgic trip through time. From the high-spirited opening yodel tune to the fast-paced gospel medley closing, he tells stories of our great American cowboys - those of the Old West, those of the Silver Screen era, and the cowpokes who still ride the rodeo and the range. He pays tribute to Western Swing greats like Bob Wills and Grand Old Opry stars such as Marty Robbins and Faron Young and, once in a while, some good ol' Rock and Roll from the days when he sang bass & traveled the world with the legendary Fifties group, *The Diamonds* (22 million records sold, *Little Darlin'*).**

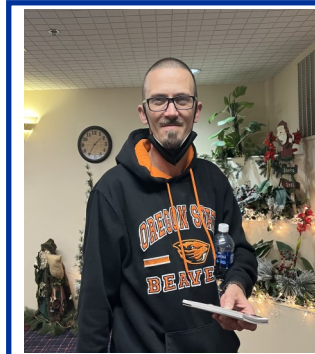

“Your present circumstances don’t determine where you can go. They merely determine where you start.”  
~Nido Qubein
