ARMCHAIR TRAVEL TO GERMANY

Germany has the largest economy in Europe and is a global leader in several industrial, scientific and technological sectors. It is the 7th largest country in Europe. Germany is home to such geographical locations as the Rhine River, the Black Forest and the Alps. Every year, a 3 week long festival, Oktoberfest, takes place in Munich, featuring parades, horse drawn beer wagons, barrels of beer, rides and food. The capital, Berlin, boasts the oldest zoo in Germany, established in 1844 and claims the most comprehensive collection of species in the world. Germany is known for its castles, the most famous being the Neuschwanstein Castle. It has been the birthplace of many world class composers.

Join us this month as we see documentaries each Tuesday morning on different German destinations. A trip to Skout Brewery in Ashland, Carole Nielson will be in to speak of her visits to Germany and enjoy an Oktoberfest celebration here at Horton Plaza on Sept. 28th with the Sauerkraut Band.
